### OF LOCAL INTEREST

Postmaster Austin of Lucia was a business visitor in Estancia Tuesday.

G. B. Salas of Willard was a visitor in the county seat the first of the week.

Attorney C. R. Easley of Santa Fe was here the first of the week on legal business.

Born to Mr. and Mrs. Charles Gutterman in Santa Fe on Friday June 26th, a daughter.

The editor of the News-Herald returned Monday from Iowa. During his stay there extremely hot weather prevailed—or so it seemed to him.

Rev. A. W. Lytle has been detained in going east on his evangelistic tour, on account of the extra work that came with the many showers of rain that has fallen in his part of the valley.

W. H. Simmons came in Wednesday from Oklahoma, to remain a short time. He looks well, from which we conclude that Texas and Oklahoma agree with him.

Oliver Grace, who had been at Thoreau, New Mexico helping Duncan McGillivray through the lambing and shearing season, returned the first of the week. He reports that Mr. McGillivray had a very successful season.

The states of Kansas, Missouri and Iowa have just harvested the greatest wheat crop in their history—almost as much as two average crops, and thus make good for the short crop of last year. Corn and other crops seem equally good.

William McIntosh's wool this year is between 50,000 and 60,000 pounds. Mr. McIntosh arrived here last night from his ranch at McIntosh to market the wool. He has not sold any as yet. Eighty-five per cent of the lambs were saved on the McIntosh ranch this year. These figures, according to Mr. McIntosh, are based upon lambs one month old.—Albuquerque Journal.

J. M. Wood started Wednesday to carry Uncle Sam's mail between here and the mountains. His rig and harness looked as though they just came out of the shop. The horses were spick and span as they started out on the trip.

Those having in charge the 4th of July celebration at Corona prepared a very interesting program, including horse and pony races, barbecue dinner, tournament races, foot races, burro races, ball game between Willard and Corona, automobile road race, and a big dance. Three special trains have been arranged for.

Adolfo Salas, of Albuquerque, accompanied by his two daughters, visited relatives in Estancia and vicinity several days during the past week. Mr. Salas is a cousin of County Clerk Salas and G. B. Salas of Willard. He was on the ground when Estancia started, and built and owned the building now occupied by the News-Herald. He still owns property in different parts of the county and is therefore interested in the prosperity and advancement of the county.

C. H. Hittson, formerly of Estancia, now of Tucuman, in company with another attorney of that place named V. W. Moore, is a defendant in disbarment proceedings brought in the supreme court. The proceedings are based on advice given certain men in regard to the taking of some horses, which it now seems was designated by the somewhat offensive term of horse stealing, and afterwards of aiding and abetting the concealment of the horses alleged to have been stolen. Also it is charged that Hittson and Moore, when the matter was being investigated by the grand jury, procured from members of the grand jury while in session, information as to what was said and done in regard to the case. The answer day in the case is set for July 11th.

For Sale Cheap—One good concrete dwelling. For particulars address O. A. Fisk, Escalon, Cal. Mr. and Mrs. Saturnino Lueras of Willard were here Sunday and Monday assisting at the fiesta. Mrs. J. P. Porter and Miss Annie are expected home this evening.

Mr. and Mrs. Victor Lueras have been here this week visiting their daughter, Mrs. Antonio Salazar, and attending the fiesta.

Wybert Brown left Sunday for Montoya to assume the duties of the position recently accepted there.

Mrs. Mollie Sheldon and children are expected here next week to visit Mrs. Sheldon's father, J. M. Tuttle and family.

E. L. Smith left Tuesday for Torrance, where he will act as joint car inspector for the N. M. C. and E. P. & S. W. R. R.

John D. Stubblefield, the man who put "Rockefeller" on his feet was talking to the merchants here Tuesday.

Mr. and Mrs. Geo. Woodman, Miss Mollie Stewart and Helen Russell of Moriarty were here Sunday and Monday taking in the fiesta.

Miss Velma Vincent of McIntosh, Miss Annie Mae Flowers, Miss Brently and Mr. Flowers of Moriarty were in Estancia Monday.

Mr. and Mrs. Joe Davis of Moriarty acted as sponsors at the blessing of the statues at the Catholic church Monday morning. Robert Taylor and family departed Wednesday evening for Alamogordo, for a visit with Mr. Taylor's parents and other relatives in that vicinity.

Raymond Epler and Mr. and Mrs. Marchant have returned from Santa Rita, where they had been for some time. Raymond now has the northwestern fever and talks of going to Washington or Oregon.

The Silverton people gave their dramatic performance at the hall last Saturday evening to a big crowd. The audience was pleased with the performance, and speak in very complimentary terms of each one's work.

At a meeting of the town council held last week, a gravel walk was contracted for to extend from the corner at Mr. Wells' property past the M. E. church as far west as J. F. Lassater's property.

George Pope was here the first of the week from the Fullerton ranch in the Datil country, to look after matters at his ranch northeast of town. Mrs. Pope and their son are going to move east for the winter, where the young man has a good position.

A number of prominent lawyers were before Judge Abbott at Santa Fe Monday arguing matters in connection with the N. M. C. receivership. It is understood that this is the last round by the lawyers, and that a final decree disposing of the whole matter will be forthcoming in a short time.

The Republican State convention has been called to meet in Santa Fe August 24th. The convention nominates a candidate for congressman, a candidate for state corporation commissioner, and considers the resolution adopted by the national committee in regard to changes in basis for that body. Torrance county is entitled to eight delegates. This will call for a county convention sometime before the date of the state convention. However, if the same course is pursued in regard to the county convention as two years ago, it will not create much of a flurry, because few people will know of it until after it has occurred.

At its meeting in Albuquerque Saturday and Sunday the state fair commission authorized a total of more than ten thousand dollars for racing at the fair October 5 to 10. This will include the best horse racing the western racing circuit can afford, automobile racing, motorcycle racing, relay and cowboy and Indian racing, a New Mexico Marathon with a big purse attached, an automobile road race, a motor cycle road race, in fact every kind of a race that can be pulled off. The sensational auto polo is to be introduced at the fair this year, and the manager has been authorized to complete a contract with Lincoln Beachy now American's most famous airman for daily flights.

Jake B. Meyers of Albuquerque, with his daughter and Mr. and Mrs. M. S. Otero and sons of the same place, came Sunday by auto for a visit with Frank Chavez and family. Mrs. Otero and Pauline Meyers remained several days.

**Deafness Cannot Be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever; also cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous lining.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by HALL'S CATARRH CURE. Send for circulars free.

Sold by J. CHENEY & CO., Toledo, Ohio. Take Hall's Family Pills for constipation.

### Tested And Proven

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Estancia readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

"Off and on for three or four months, I had pains in my back," says Hilario Baca, of Delgado St., Santa Fe, N. Mex. "They were severe at times, especially if I lifted or brought any strain on the muscles of my back. The trouble was so persistent, that I thought it was caused by weak kidneys. After I had used Doan's Kidney Pills a short time, I improved and by the time I had finished one box I was cured. I haven't needed them for a long time. I have told about my experience before in a public statement and I am pleased to recommend Doan's Kidney Pills again."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Baca had. Foster-Milburn Co., Props., Buffalo, N. Y.

**HUSBAND RESCUED DESPAIRING WIFE**

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without my tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him.
